# Country Championships – Rules of Operation

## 1 Overview

The Country Championships Rules of Operation are the responsibility of Basketball WA. Basketball WA recognises the need to maintain up-to-date rules that ensure fair and consistent gameplay.

## 2 Scope

These rules apply to all Country Championships related games.

## 3 Document Author and Approving Authority

These rules are subject to the [Competition Rule Change Procedure \(BWA-COMP-PRO-001\)](#).

The BWA Chief Basketball Officer (CBO) is the approver of these rules. Suggestions for changes should be communicated to the BWA Head of Senior Competitions.

## 4 Nominations

### 4.1. Age Groups Offered

The following age groups are offered in the Country Championships competition:

- Boys & Girls: Under 12, 13, 14, 15, 16 & 18
- Senior Men: 18 years or older
- Senior Women: 18 years or older
- Masters Men: 35 years or older

### 4.2. Eligibility to Participate

Any financial Basketball WA country association is eligible to enter teams in any age groupings in the Country Championships weekends.

Incorporated associations that reside in the country but are not directly affiliated with Basketball WA, may be considered on a case-by-case basis at the discretion of the BWA General Manager of Competitions.

### 4.3. Team Nominations

Team Nominations will be called for by Basketball WA each year by early January at the latest.

Major Regional Associations are required to place a team in Division One (Championship Division) of the Country Championships prior to entering any additional teams. Associations affected by this are:

- Albany
- Bunbury
- Busselton

# Country Championships – Rules of Operation

- Geraldton
- Mandurah

Basketball WA will review the Team nomination costs and any associated referee costs annually and distribute this information to associations along with the nomination process.

## 4.4. Number of Divisions

Basketball WA is responsible for determining the number of divisions in each age group.

Junior team nominations will be restricted to one (1) team per division from any one Association.

Senior team nominations shall be restricted to divisions. Each Association shall be entitled to nominate one (1) team per division plus one (1) Masters team.

## 4.5. Team Withdrawal Penalty

The nomination fee and any associated referee costs are non-refundable once the nomination due date has elapsed.

Once the official fixtures have been completed and distributed, Associations will incur a fine for withdrawing any teams. Penalty for withdrawal after official fixtures are distributed: \$300.00 per team. There are no grounds for appeal of this penalty.

In the event of a withdrawal of any team accepted into the Country Championships, a replacement will be named from teams on the waiting list (If applicable).

## 5 Players

### 5.1. Age Eligibility

To be eligible to participate, all junior players must be under the prescribed age as at the 31 December of the year in which they will be participating in the Country Championships.

All senior players must be 18 years or older as at the 31 December of the year in which they will be participating in the Country Championships.

All players must be a regular playing member of that Association's competition, having played a minimum of four (4) games in that Association's most recent competition.

Where an Association is not entering a team for a particular age group and is willing to provide a clearance for a player who wishes to play for another Association, approval must be lodged with and granted by the Competitions Administrator at least two (2) weeks prior to the Championships.

If a player plays for multiple Associations during the Country Season, they are to nominate one (1) Association they wish to play for per age group i.e. an eligible U16 player can play for Eaton in U16s and Bunbury in U18s subject to Rule 5.1.5 but cannot play for multiple teams in the same age group.

# Country Championships – Rules of Operation

Any requests for exemptions to these rules must be submitted in writing to the Competitions Administrator at least two (2) weeks prior to the Country Championships. This includes but is not limited to:

Players who have relocated over the Christmas/New Year period and wish to compete for their previous Association.

Players who wish to participate in a Senior team but do not meet the required age requirement.

## 5.2. Registration

All players must register via the online player registration form before participating in any game.

Associations are responsible for ensuring player registrations are complete.

## 5.3. Team Size

Teams shall be restricted to a maximum of twelve (12) players, of which only ten (10) can play in any one game.

## 5.4. Minimum Player Requirement

A minimum of 5 players must be present for a match to commence.

## 5.5. Restrictions

### Association-based players

In all junior weekends, players are limited to playing for one team per weekend. For the senior weekend, masters' players (35+) may play for more than one team (Masters & Senior Men) for that weekend, providing it is for the same Association they are registered to.

NOTE: Basketball WA cannot guarantee that Senior Men's and Masters games will not overlap on the Senior weekend and cannot guarantee there will not be clashes between divisions for players playing in two teams.

Associations who have secured the services of players for the purpose of participation in the NBL1 West, and who were not regular playing members of that Association's competition prior to 1 January in the year of the Championships, shall not be eligible to compete in the Championships.

## 5.6. Finals Participation

Players must play at least a third of qualifying games to participate in the finals.

A bye does not count as a qualifying game.

# Country Championships – Rules of Operation

## 6 Format of Pools

Basketball WA shall determine the Country Championships format subject to the number of teams participating.

Where practical, there shall be a full round robin of games, with teams finishing in positions one (1) and two (2) at the conclusion of the qualifying rounds, contesting a Grand Final.

## 7 Grading

Grading shall relate to results from the previous year's Country Championships. Where excess nominations are received, the Competitions Administrator shall determine the placement of these teams, having regard to that Association's standard of play.

Decisions by the Competitions Administrator will be final as to the grading of any team(s). As a general principle, teams from larger Associations will be allocated to higher divisions.

## 8 Promotion and Relegation

Where practical and having regard to Rule 7, the winning Grand Final team will be promoted and the last team in each division will be relegated for the following year's Country Championships. i.e. An association that wins the Division 3 Grand Final in Under 14's will have to nominate that team for Division 2 in Under 15's. a team that wins Division 2 in Under 13's will have to nominate for Division 1 in Under 14's.

Teams not nominating shall, on future participation, maintain where possible, the position held when they last competed.

## 9 Team Control

Each team nominated must contain a registered coach and manager to be responsible for the players on and off the court.

## 10 Coach Accreditation

All head coaches must hold a minimum accreditation level of Community Coach.

- Non-compliance of Community Coach accreditation: \$50.00 per offense

## 11 Referees

Referees are to be supplied and paid by the nominating Association for the Junior Country Championships weekends. Failure to supply a referee will result in a **\$250.00** fine per game not supplied.

Basketball WA will send out a referee allocation procedure prior to the Country Championships each year outlining the requirements of associations.

The referee may not be a player from the same division.

# Country Championships – Rules of Operation

Basketball WA will roster and pay referees for all Finals games. The Senior weekend will have referees centrally rostered by Basketball WA.

Failure to provide/use a Country Referee for the Senior weekend, will result in a fine to the Association not exceeding **\$1000** as determined by Basketball WA.

## 12 Timekeeper and Scorer Responsibilities

The home (left) team will supply a timekeeper (scoreboard), and the away (right) team will supply a scorer (tablet).

### 17.2. Classification of Teams and Determination of Rankings for Finals

#### Ladder ranking order

1. Ladder points
2. Head-To-Head (refer below)
3. Percentage

#### Head-To-Head (H2H) Calculations

- If there are two teams equal on ladder points, the result(s) of the game(s) between the two teams involved will be used to determine the placing.
- If more than two teams are equal on ladder points, a mini ladder will be established considering only the results of the games between the teams that are tied.
- Eligibility Check: H2H ranking is only applied if all tied teams have played each other an equal number of times (including zero). If not, the next ladder ranking method will be applied.

#### Tiebreakers

The following tiebreakers are applied in order:

- Point Differential: Total points scored minus points conceded in mini ladder
- Points For: Total points scored in the mini ladder
- Overall Point Differential: Point differential in the general ladder
- Overall Points For: Total points scored in the general ladder

Points difference is calculated by points scored for; minus points scored against.

# Country Championships – Rules of Operation

- If ties persist after all tiebreakers, the next ladder ranking method will be applied.
- The H2H tiebreaker process repeats from the beginning if any team is eliminated during calculations.

## 17.3. Best Second Placed Team

When there are three pools in a division, for finals, the best second placed team may be required. The top team in each pool go through to the finals with the best second placed team to make up the fourth team. The four teams will be re-ranked by record first then percentage in a separate mini ladder to determine the finals seeding. e.g. the best second placed team will not be automatically assigned the fourth seed.

The best second placed team will be decided on:

1. which second placed team finished with less points separating them from the top team (championship points).
2. If tied, head-to-head record against the respective top teams will decide second top team overall (narrowest losing margin).
3. If head-to-head does not apply, the following tiebreakers are applied in order:
  - a. Overall Point Differential: Point differential in the general ladder
  - b. Overall Points For: Total points scored in the general ladder
  - c. Overall Percentage

## 18 Protests

- All protests must be in writing and accompanied by a \$100.00 online payment within 10 minutes of game conclusion.
- Online payment link - <https://www.playhq.com/basketball-wa/register/a1506f>
- Teams may only appeal at the conclusion of a game. Refusal to take the court during an active game will result in forfeit.
- Protests must be lodged with Basketball WA at the front desk. During this process, all Basketball WA staff must be approached in a calm and respectful manner.
- The bond is repayable if the appeal upheld.
- Basketball WA decisions are final.

## 19 No Zone Defence

### 19.1. Under 12 to Under 14

Zone defence is not permitted in all Under 12 to Under 14 age groups

# Country Championships – Rules of Operation

# Country Championships – Rules of Operation
